TRACK CHANGE GUIDELINES

All information must remain confidential. Information can change up to the first day of school.

- PROCESS:
 - All requests are treated with equal importance. Lottery system acts as equalizer.
 - 61 Total requests received
 - All “In-boundary” requests are addressed first, then permit requests will be considered.
 - No more than a spread of four students in each grade between highest and lowest class.
 - Student enrollment will cap at:
 - K-3rd Grades – 27 Students
 - 4-6th Grades – 30 Students
 - Track requests are randomized using a random number generator until all requests have been reviewed.
 - Re-look at all boundary requests not yet approved.
 - Consider permit requests in randomized order.
- All Council Members approved the process and guidelines with a unanimous vote.
- 23 request approved.

Next lottery meeting to be scheduled towards the end of June.
