

Welcome!

Blackridge parents show phenomenal support for our students and teachers with their willingness to purchase supplies for our classrooms. Jordan District provides funds for basic classroom supplies (crayons, pencils, glue, etc) for students throughout the year.

However, supplies such as tissues, Clorox wipes, Ziploc bags, full page (8.5 x 11) address labels, treats (nut-free), small items for students to purchase at class store, black or brightly colored cardstock are always welcome. For those families wishing to donate supplies for classroom events and activities, and wondering what we might need, please check visit our [Amazon Wish List](#).

As always, thank you so much for your donations and support throughout the year!

Mrs. Mariani
