Create an account

You will be re-directed to the eFunds login page.

Sign in using your eFunds username and password previously created.

If this is the first-time accessing eFunds, then click on the **Create an account** link. When creating an account in eFunds, use your personal email, not a JSD issued email. eFunds retains the financial information (bank account and/or credit/debit card info) provided, along with other information required to process payments.

NOTE: Jordan School District does NOT create eFunds user name and passwords for parents

Please Note: If a parent has a problem with their eFunds account, please have them contact the JSD Help Desk at 801-567-8737

Parent Online Payment - eFunds Login Page:

In eFunds, click **Submit Payment** to complete the web payment. Note: Do not double click, be patient and do not click Submit Payment more than one time. It will result in multiple payments being processed. After payment has processed, **Logout** in order to maintain the security of your credit card information.
